IBS EVOLVE Manual Pipettes

- **GripTips:** never have a pipette tip loosen, leak or fall off again!
- **Adjust volumes more than ten times faster:** three dials for setting each individual volume digit.
- **Two unique plunger springs:** allow users to customize the plunger force to their preference. This option allows users to slow the aspiration and dispense speeds resulting in improved pipetting technique and results.
- **Ultra lightweight:** provides unsurpassed ergonomics during prolonged pipetting sessions.
- Available **volumes:** 0,2 - 2µL | 1 - 10µL | 2 - 20µL | 5 - 50µL | 10 - 100µL | 20 - 200µL | 100 - 1000µL | 500 - 5000µL.

Buy your 3 new IBS EVOLVE Manual Pipettes and receive 3 boxes of free IBS tips of your choice*.

This offer is valid until 30-04-2018. Cannot be combined with other actions/contracts.

Please mention the promotional code onto your purchase order to enjoy the offer: **2018-IBS-EVOLVE**.
